

Town of Franklin
Kewaunee County, Wisconsin
Ordinance 2023-1

Emergency Services Cost Recovery Ordinance

A person, or persons, or entity causing an action which results in Denmark Fire Department and/or the Tisch Mills Fire Department response shall be responsible for reimbursement of costs incurred by the respective fires department(s) in connection with such an incident. Such costs include labor, equipment, any cleaning, decontamination and maintenance specific to the incident and costs incurred in the procurement and use of specialized equipment specific to the incident. Also, road closures for these events that are required of the Denmark Fire Department and/or the Tisch Mills Fire Department will be covered under this Ordinance.

Taxpayers of the Town of Franklin are exempt from basic fire service charges as this cost is covered by fees paid to the Fire Departments through the Town Taxes. Charges for additional services deemed necessary by the fire department(s) for emergency purposes will still be the responsibility of the person, persons or entity.

This ordinance is effective upon passage and publication.
